Waiting time!

Following the Pakistan budget announcement and the results it will have in prices offered, Bangladesh are set to announce their own budget in the first week in June and therefore the uncertainty in the market looks set to remain for the forthcoming weeks, particularly as Ramadan is due to commence and with a distinct lack of tonnage being made available and growing concern over the global steel markets, the lull in the market seen looks set to continue for the foreseeable future.

No sales to report for last week.
