NEW BUILDING

There is one order to report in Dry this week. It has been reported that China Steel Express have placed an order for two firm 208,000 DWT Newcastlemaxes at CSBC. Set for delivery in 3Q 2019, the duo will be built at CSBC's Kaohsiung facility.

In the Container market, Dae Sun have signed a contract for six 1,011 TEU Container Carriers with SITC. The vessels will be delivered throughout 2018 and 2019 from Busan, Korea.

RECYCLING

No Holidays!

With the European holidays in full swing it hasn't detrimented the market previous week with still some notable sales, which continue to show that prices above USD 400/ldt are showing no signs of respite as Owners look to grab the impressive numbers being seen at present.

With this firming market, many believe this will entice more Owners to join the party especially when Tanker rates continue to remain at depressive levels due to the oversupply in the sector. This means that Pakistan continues to be left out of the majority of market tonnage and therefore any large ldt Dry/Container units will look to achieve a premium on a delivered basis exceeding USD 425/ldt at the present time for this destination.
