## NEW BUILDING

Another quiet week in the Newbuilding market with only one order to report. In the Passenger / Cruise market, Austal have announced winning an order for two firm approx. 7,500 GT Passenger / Car Trimaran Ferries from Lineas Fred Olsen. The two vessels are set for delivery in 1Q and 4Q 2020 and will be able to carry 1,100 passengers and up to 276 cars when delivered. The Owner already has two Passenger / Car Ferries in its fleet built by Austal.

## RECYCLING

### Slow Steam to Diwali!

The market has again remained subdued this week with little tonnage of note being negotiated as Owners start to hold back their tonnage after the recent declines in rates. This has meant the market has started to stagnate with no real appetite coming from the recycling destinations, unless Owners are willing to accept the new numbers on the table.

With the Diwali festivities set to commence in the middle of next week, we expect the quiet period which is currently being experienced to continue further as there may well be a distinct lack of buying interest during the period.
