Gas Spirit	FP LPG	4,018	Higaki Zosen	2001	5.7		5.7	Ukrainian	StealthGas Inc
VV Mean % Difference*							+1.4%		

* The valuation accuracy is defined as the mean percentage difference between VV value and reported Sale Price. Positive values indicate a greater valuation than sale price.

Each sale price is compared with the valuation which was produced by VesselsValue's algorithms on the day of the report.

Sales which took place in circumstances which would have made the sale price unreflective of the fair market value at the time have been excluded from this accuracy. Where no suitable sales are shown accuracy will show as "--".
